UNITED STATES DISTRICT COURT
DISTRICT OF NEVADA

CHRISTOPHER DEVOSE,

Petitioner

v.

WILLIAM HUTCHINGS, et al.,

Respondents.

Case No.: 2:21-cv-02069-APG-DJA

**Order Granting Motion for Case Docket
and Denying Motion for Default Judgment**

[ECF Nos. 61, 62]

Petitioner Christopher Devose filed a motion requesting a copy of the case docket. ECF No. 61. The respondents did not respond to that motion as no response was required. Devose subsequently filed a motion for default judgment, but in reality requested a ruling on his motion for a copy of the docket. ECF No. 62. I grant his request for a copy of the docket and deny his motion for default judgment.

I THEREFORE ORDER that Devose's motion for a copy of the docket (**ECF No. 61**) is **granted**. His motion for default judgment (**ECF No. 62**) is **denied**.

I FURTHER ORDER the clerk of court to send a copy of the case docket sheet to Devose.

Dated: March 31, 2025

Chief U.S. District Judge
